

Because You Have Asked

David Sandler – Vice President, Meshomasic Hiking Club

I have been asked recently to explain the color codes on our mailing labels and how they relate to our renewal policy. Your membership is yearly, based on the date you join and renewals are done quarterly. For example, if you joined February of 2011, you are due to renew February of 2012. Your winter 2012 newsletter will have your date, 2/12, highlighted in yellow and a renewal form and envelope will arrive with your newsletter. Let's say you wintered in South America until March and therefore could not send in a renewal. You would receive a spring 2012 newsletter with your 2/12 date highlighted in red with an envelope, renewal form and a note that your membership has expired. If we do not receive your renewal you will not receive the summer 2012 newsletter. If you have any questions, you can email the club through the website.
